**(ii) Course Intake:**— There shall be a basic unit of 50 students.

**6. Attendance:**— A candidate will be considered to have satisfactory attendance if she/he earns not less than 80% attendance for theory classes and 90% for internship in teaching at the levels specified in the curriculum. Seven point grade system is followed in rating attendance. Attendance will be noted in letter grades in the mark list. The attendance range and respective grades are as follows. **Gr: A+ (96-100) Gr: A (91-95%), Gr: B+ (86-90%) , Gr: B (81-85%), Gr: C+ (76-80%) Gr: C (75 and below).** (For calculating percentage of attendance decimals will be rounded to the nearest whole number).

\* Condonation of shortage of attendance shall be as per existing University rules. Candidates with shortage of attendance beyond condonable limit will not be eligible to register for the end Semester University Examination. In such cases the candidate has to repeat the course by taking re-admission from the University.

\* Only candidates who secure the required minimum attendance in the semester, completed practicals for the semester and registered for the end Semester University Examination are eligible to continue studies in the next Semester.

**7. Readmission:**—Those candidates who discontinue the course can be given the provision of readmission if otherwise eligible as long as the same scheme exists. If the scheme is over, candidates have to join the course as a fresh entrant, if otherwise eligible.

**8. Fees:**—The fees for the course will be fixed by the University/State Government in accordance with the provisions of NCTE regulations.

**9. Medium of Instruction:**—Medium of instruction for the course and examination is English. However, candidates have to write the examination of optional languages in the concerned language.

#### **10. Evaluation.**

(a) Theory : The theory papers (ESA) of the course in all semesters shall be evaluated through End Semester Examinations/Assessment of the University.

(b) Practical : Internal and external practical examinations are organized for the course.

(i) The CE with respect to theory courses will be evaluated internally by Colleges concerned and the marks forwarded to the University at the end of each semester.

- (ii) Practices related to internship and other practicals of semester ii, iii and v will be evaluated internally by the colleges concerned. Practices of internship and other practicals of semester iv will be done both internally and externally. The marks of semester iv will be subjected to evaluation and standardization of the external practical board constituted by the University for this purpose.
- (iii) Dissertation during semester vi will be evaluated both internally and externally as done in the case of two year M. Ed. course of the University.

All practical works carrying credits are compulsory.

**11. Assessment :**—The integrated course in education B. Ed — M. Ed is based on Credit and Semester System with Grading. The course is of three year duration in six Semesters. For successful completion of the course the candidate has to satisfy all the academic requirements specified for the course in all semesters. On successful completion of the three year course the candidate will be eligible for the B. Ed—M. Ed degree equivalent to both B. Ed and M. Ed. degrees of University of Kerala. There is no provision to claim the B. Ed. degree after two years.

- (i) For a pass in the examination, a candidate should secure a minimum of 50% marks (C+ Grade) in aggregate with a minimum of 40% in each Theory Paper, 50% for theory in aggregate in the External Examination of the University, and 50% (C+ Grade) for internship in teaching at different levels and Research Dissertation. There is no minimum marks for CE of theory courses. Marks/grades for CE and Practical courses have to be given to various categories on the basis of proper guidelines and criteria prescribed. Detailed records have to be maintained by institutions in each case.
- (ii) All the theory papers of all semesters will be assessed through external examination of the University. The weightage to internal-external in theory will be 20:80.
- (iii) CE with respect to theory courses of all semesters, practicals and related courses of Semesters I, II, III and V will be assessed internally by institutions concerned. All the program/courses carrying credits/grades should be compulsorily attended by all the candidates for the successful completion of the course. Only such candidates are permitted to register for the end Semester University examination and promotion to the next semester. The marks and respective grades of internal assessment (CE & Practical and related practical works) during each Semester have to be forwarded to the University by the institutions within one week after closing of the semester, both Online and manual/printed (hard and soft copy).
- (iv) In case a candidate gets minimum for all papers but fails to get semester minimum, she/he has to re-appear the theory subjects/papers with less than 50% of marks to secure a pass in that semester.
- (v) If a passed candidate wants to improve his/her grade he/she can appear for the theory examination and improve the grades within two years of completion of the course, if the same scheme exists.

- (vi) Course betterment is limited to theory alone. For course betterment in theory, candidates have to appear for the concerned examinations with the regular schedule. Higher marks of the two i.e., marks before betterment and after betterment whichever is higher will be considered.
- (vii) There will be no Supplementary Examination. Failed candidates have to write/appear for the paper/papers for which they have failed with the regular candidates. On securing the separate minimum in those paper/papers the candidate will be declared to have passed the examination provided he/she secures an aggregate of 50% (C+ Grade). Three chances will be given for reappearance as long as the same scheme exists.
- (viii) Even if a candidate fails to secure the required minimum marks/grades for a pass in Theory during a semester but has completed the Practical Courses/General Courses he/she shall be allowed entry to the next Semester.

**12. Tenure for course completion:** The course is of three academic year duration integrating the components/contents of the degree and post graduate courses of teacher education. Semester system is followed in the course. There will be six semesters, with 110 working days duration in each semester, including school based experiences, internship in teaching at different levels and research courses. Students will be permitted to complete the programme in a maximum period of four years from the date of admission.
